Who can use the shingle processing facility?

We accept recyclable roofing material from roofing contractors, waste haulers, construction & demolition recycling facilities, and home owners.

(See Back for Map)

2018 – Processing / Disposal Rate(s):

Mixed Roofing: \$ 30.00 per ton (One Ton Minimum)

Sorted / Clean Roofing: \$ 15.00 per ton (One Ton Minimum)

1). ACCEPTABLE MATERIAL. We only accept residential (Non-Asbestos) asphalt roofing shingles.

Sorted Roofing Material - Asphalt roofing shingles with nails and tar paper backing only.

OR

Mixed Roofing Material – Asphalt roofing shingles with nails, tar paper, paper, plastic, metal and wood. Badger Materials Recycling will not accept unsorted loads. Loads must now be organized so that garbage or loose plastic is bagged, shingles are loaded in trailer first, then metal, then wood along with garbage bags. No Cedar Shake Wood or Residential trash is allowed in either Sorted or Mixed Roofing loads. Buildings larger than 4 – Units in size must be tested for asbestos (each layer of roofing) for acceptance. See our flyer on our website for more information.

2). UNACCEPTABLE MATERIAL. NO COMMERCIAL ROOFING (Flat Roofs), NO CEDAR SHAKE WOOD, NO GARBAGE, NO PLASTIC BOTTLES FILLED WITH URINE, NO ASBESTOS (FRIABLE AND NON-FRIABLE) MATERIAL, NO YARD WASTE IS ACCEPTED: Other examples of Unacceptable Materials include: drummed waste, barrels, waste oil, asbestos siding, asbestos tile, asbestos roofing materials (flashing, shingles, mastic sealer), lead acid batteries, tires, propane tanks, and containers containing paint or solvents. Customers found to contain any of these items in their loads will be rejected. Costs associated with reloading and removal of Unacceptable Material will be charged back to Customer.

3). **NO SALVAGING:** No salvaging of any kind is permitted. People or person's caught salvaging will be prosecuted.

4). **CONSUMPTION OF ALCOHOLIC BEVERAGES AND USE OF ILLEGAL DRUGS:** Alcoholic beverages and illegal drugs are not permitted on-site. Drivers under the influence of any illegal drug or alcohol will be prosecuted.

5). **UNLOADING REQUIREMENTS:** No person may open their tailgate or un-tarp their vehicle until they are located in the Processing Facility unloading area.

6). **NO SMOKING:** There is no smoking allowed in the Processing Facility unloading area.

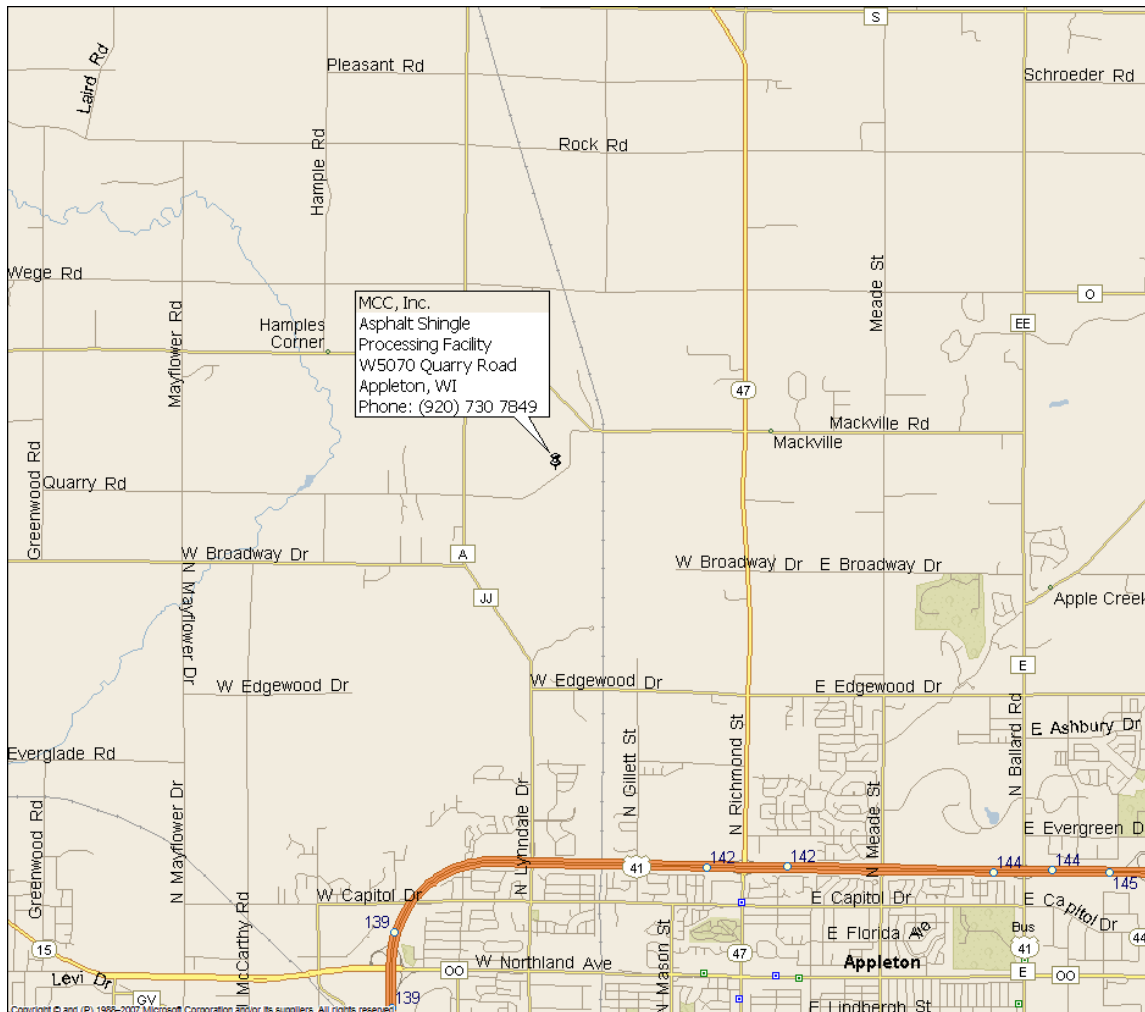

7). **TARPING OF LOADS: ALL LOADS MUST BE TARPED OR COVERED.**
